Happy New Year!!!

Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus.

CHA Monthly Reports

Friendly reminder to please turn in your monthly reports AND your semester reports when you have reached 90 days into your school year... post-marked by the 7th of the month.

Another year is dawning,
Dear Master, let it be,
In working, or in waiting,
Another year with Thee.

Another year of mercies,
Of faithfulness and grace;
Another year of gladness
In the shining of Thy face.

Another year of progress,
Another year of praise,
Another year of proving
Thy presence all the days.

Another year of service,
Of witness of Thy love,
Another year of training
For holier work above.

Another year is dawning,
Dear Master, let it be
On earth, or else in heaven
Another year for Thee.

Good Job Matthew!

Hello,
I wanted to give you all an update on this year's Home School Day with the Orlando Magic, we are very excited to host different home school groups from around the Central Florida area. As of now we will be hosing the following events during our home game on Wednesday January 18th, 2012:

- Basketball Clinic hosted by the National Basketball Academy
- Green Learning in the Amway Center
- Tour of the Amway Center
- Access to Pre-Game Shoot around
- Staying for the Orlando Magic game
- Post Game Photo
- Post Game Layups
- Tickets will start at \$15

During this event parents are encouraged to bring lunch and we will have a time where the group would be able to take a recess and then enter the arena for the game. A flyer will be sent out in the next couple of weeks through e-mail and I will be following up with a phone call to answer any questions you may have about the event. Tickets are likely going to go on sale on Oct 1st and at that point you may put in an order for tickets directly through myself. This year we are trying to make this event bigger than ever and any ideas would be greatly appreciated, we also have some surprises in line for the groups which will be announced at a later date.

Many Thanks,

Carlos Velez
